Good Afternoon

I've reviewed Raquel's H&S file and she is not cleared to deploy in support of Hurricane Harvey at this time. She is currently overdue on her 8hr annual HAZWOPER refresher course (last taken 5/4/2016) and I do not have the EPA H&S training on file for her.

The REOC would like to activate Raquel Douglas for a two week deployment as a Community Liaison Team Leader. Can you check and see if she is available? Thank you. susan
